And now, for a completely different . . .

Building

Early in 1975, voters in Wauconda approved a $19 million addition to the high school.

A common question asked on the way to school was, "Which entrance do we use this morning?" because one or more were constantly blocked.

The additions to the cafeteria, offices, library, and the new gym and locker facilities are now finished and ready for use.

The Architect Skit . . .

And now, for some completely different . . .

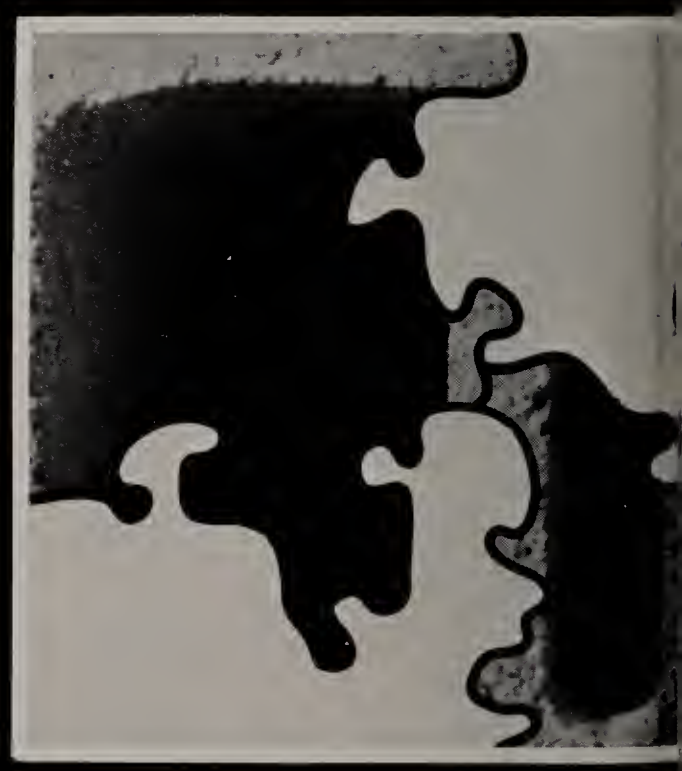
Ideas

This year saw many completely different ideas instituted into all aspects of school life here.

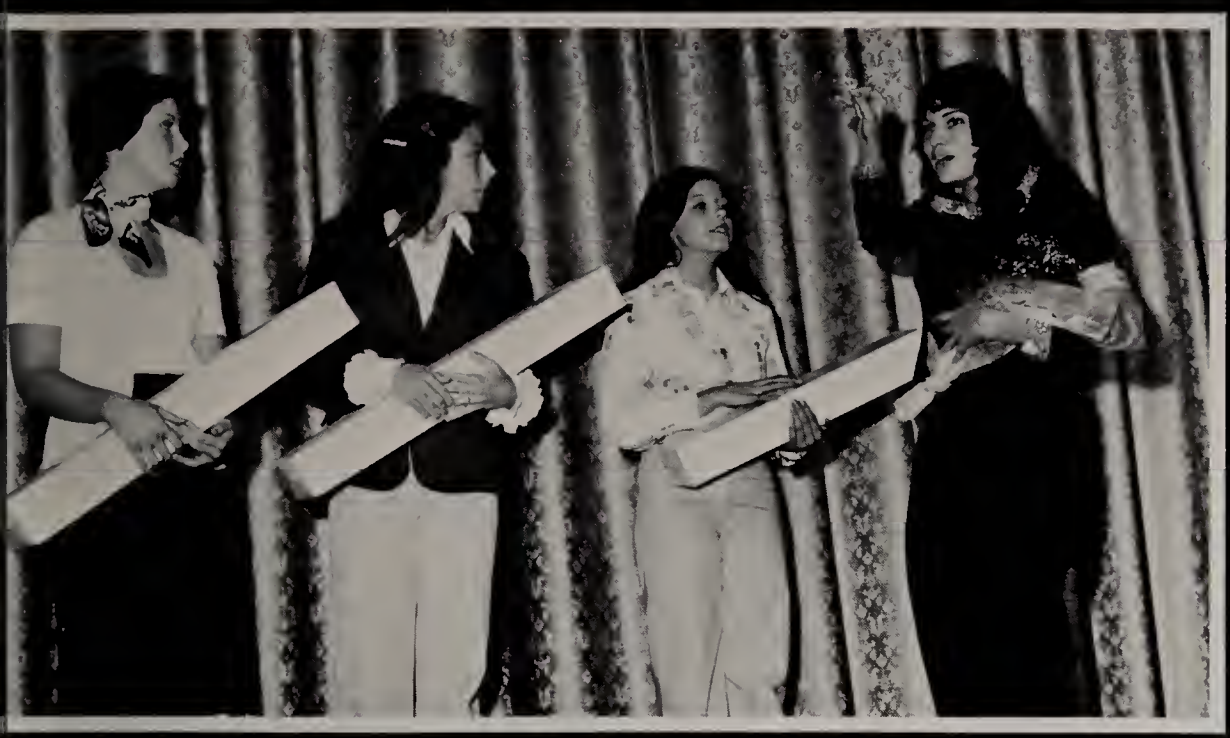
There were 20 completely different course offerings from which to choose. The drama department expanded its program by staging a musical, the Pom-pon girls began doing routines to the music of the band, the AFS committee separated itself from the Student Council and became open to all, Swing Choir enlarged to include any student who came to its evening rehearsals, and the Student Council began meeting in the evenings, also.

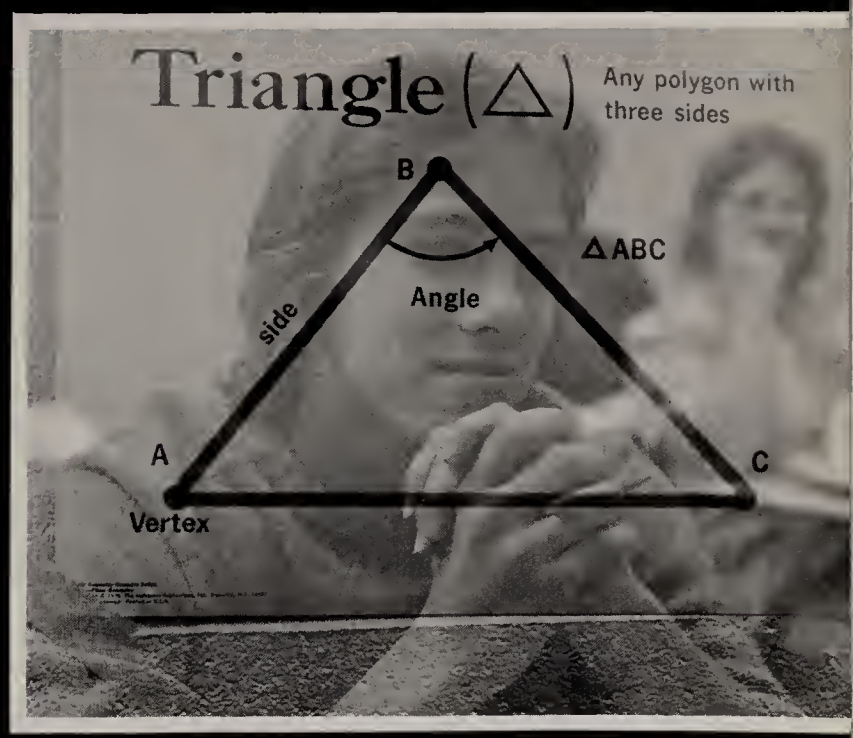
Athletics and Girls' Physical Education were completely different this year, and in the office, a new counseling system was utilized.

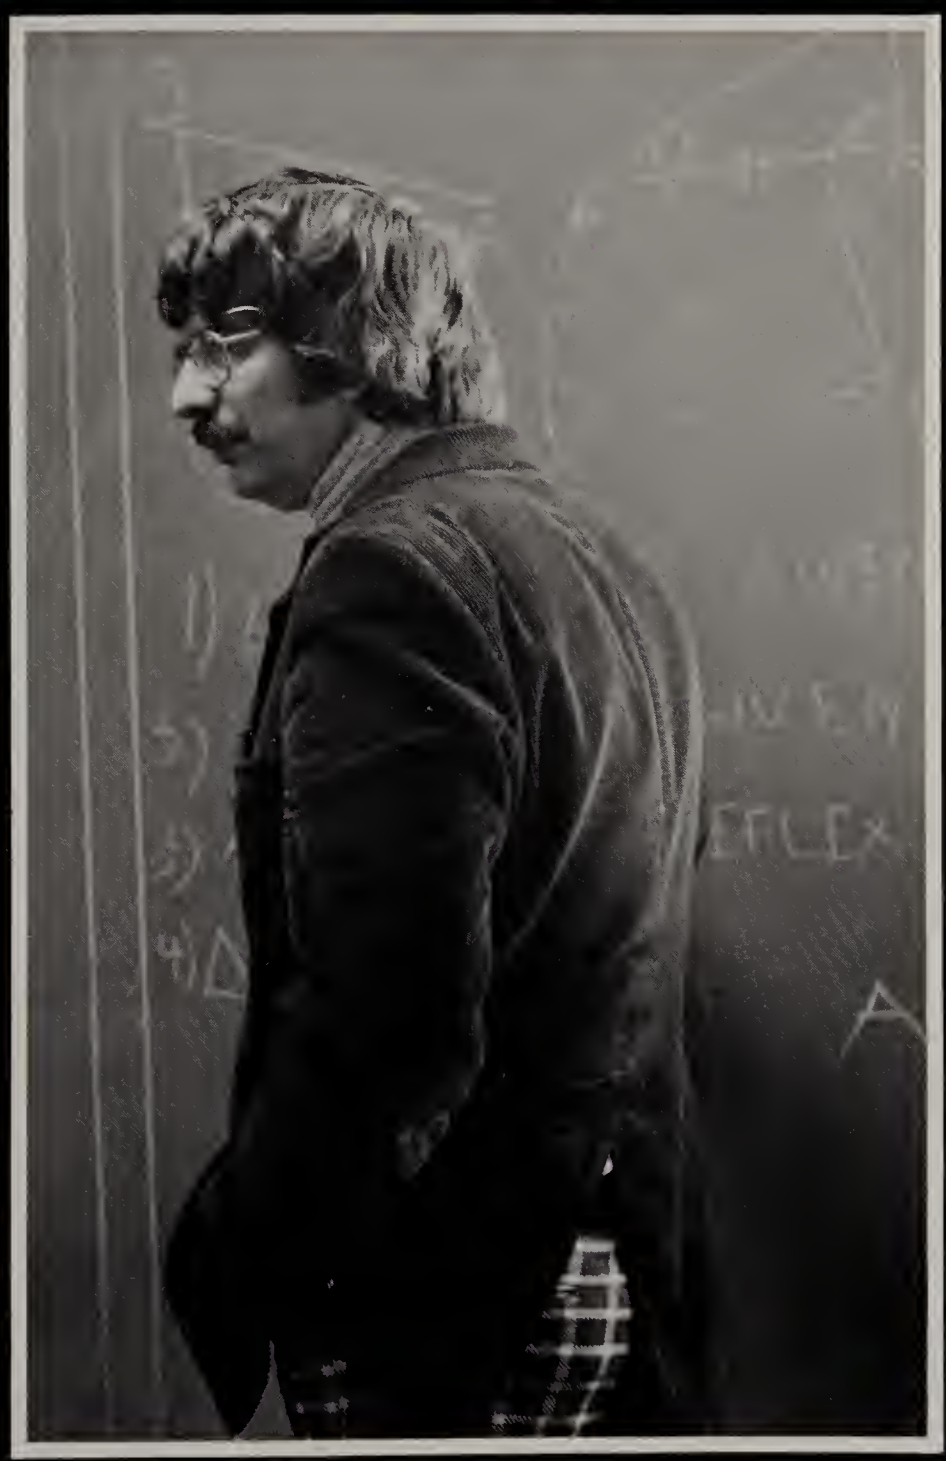
All these completely different ideas in all areas helped to shape WHS this year.



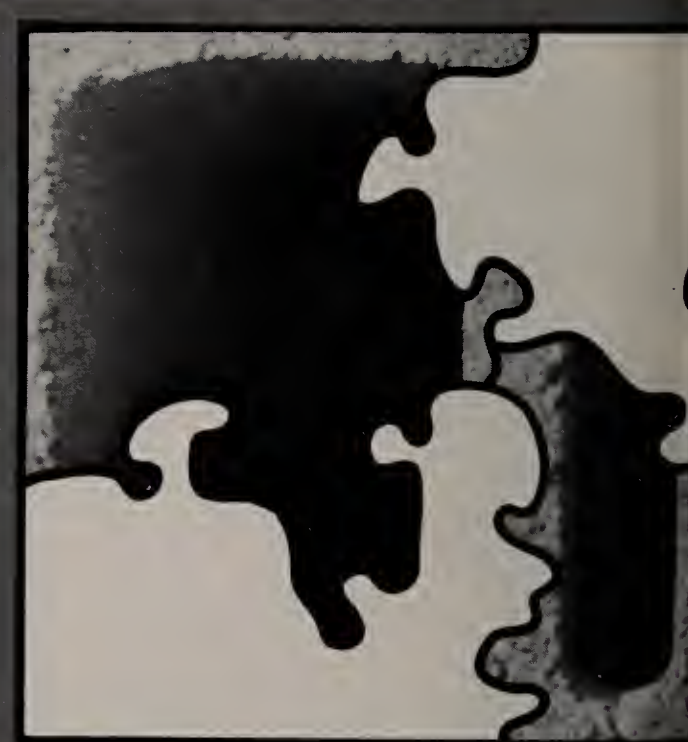
I don't know, I really just don't know . . .







It's . . . the BISHOP



And now, for many completely different . . .

Faces

This year, 291 freshmen and 16 new faculty and staff entered WHS.

When these completely new faces first arrived, some were confused, some were surprised and some were even awed. The new faces, once they became acquainted with life here, were no longer new faces, but became just another part of the crowd in the hall, the students in the classroom or the group at the meeting.

Different faces this year included a foreign exchange student from Austria and a new superintendent.

Others included the dean of students, a counselor and the Mathematics department chairman.

All the faces, some newer, some older, combine to make this brick and mortar building the WHS it is.

The strange feeling of deja vu . . .

And now, for much completely different . . .

Spirit

Despite the records of some of the athletic teams this year, spirit was completely different with a winning atmosphere prevailing.

This feeling was obvious during the Student Council's spirited Homecoming. The festivities were highlighted by the excellent performances of all three football teams, who won their games. This raised the level of the completely different spirit to the years' high point.

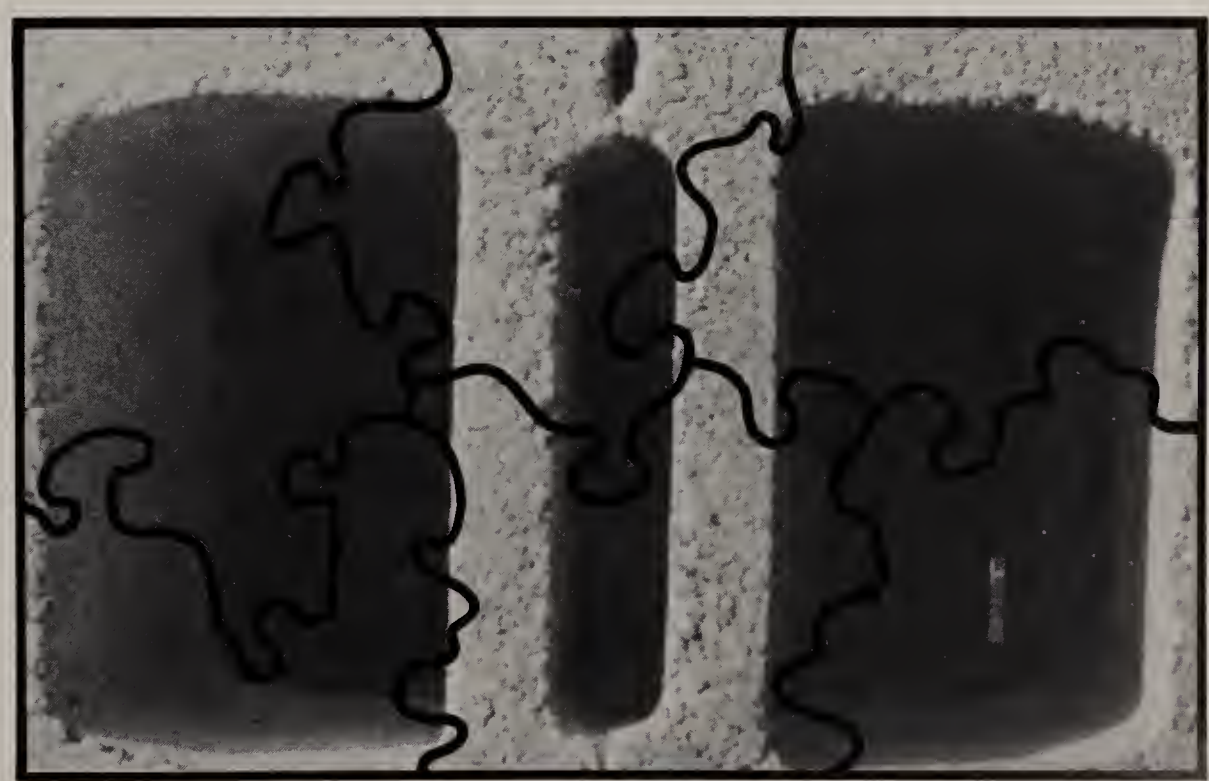
How not to be seen . . .

WHS

All involved will remember 1976 not only because it was the Bicentennial year, not only because it was the year they became freshmen or they graduated, and not only because it was the year that halls were overcrowded and blocked due to construction.

The Wauconda High School '76 experience will be remembered because it was all these things and more in '76.

And now, for one completely different . . .



Bob and Jim remembered for their enthusiasm

This year will surely be remembered by many as the year tragedy struck two students here.

Robert Garrett, sophomore, and James Goerke, junior, both died in untimely auto accidents near Wauconda.

They both lived active, rewarding lives as students and members of the community and will be remembered for the enthusiasm they put into everything they did.

Bob's interests were photography for the school newspaper and Scouts, in which he was about to receive the Eagle award.

To sports fans, Jim Goerke was a familiar sight on the basketball court and baseball field. He was a star player and, just as important, he was an enthusiastic supporter.

Bob and Jim will not soon be forgotten.

COMPLETELY DIFFERENT LIFE — '76

'Spirit of '76' shown during Homecoming

The Spirit of '76 means fireworks and patriotism to some, but to WHS students it meant a once-in-a-life-time Homecoming weekend.

The seniors elected June Verniers as their queen and won the float and stunt competitions. The juniors won window and overall points for the weekend.

While the Bulldogs won all of their Homecoming games, students put final decorations into place for the dance that night.

TOP LEFT . . . From the looks of these varsity football players, Homecoming's theme would seem to have something to do with clowning around. MIDDLE LEFT . . . The sophomores' second-place stunt is "Bicentennial Tonight" with Rocco Scaturro playing Mr. Fred Loffredo.

OPPOSITE LEFT . . . Windows play an important part in the Homecoming weekend and the Junior Class shows winning style with this creation. OPPOSITE RIGHT . . . The wish the seniors made on their first-place float came true when the Bulldogs won all three games on the Homecoming battlefield.

ABOVE LEFT . . . Hoping to win the toss of the coin for their last Homecoming game are team co-captains Mike Gallivan, Ted Siwy and Butch Melton. TOP . . . Two squads tried by fall, winter cheerleaders

This year the football and basketball cheerleading squads consisted of different groups of girls. Through the past years football and basketball cheerleaders have been made up of the same group but this year Mrs. Judy Porten tried something different by having the two squads try out at different times.

During the winter sports banquet Karen Nape was awarded a trophy and a pin for being the only senior who was football and basketball cheerleader all four years. Four other girls received awards for completing four years of football cheerleading.

The wrestling cheerleaders planned a successfull senior night this year for the leaving senior wrestlers.

Florida trip, new uniforms add to Pom-pon year

New uniforms, different routines and a planned trip to Florida made this year a very special one for the Pom-pon squad.

On June 22, the Pom-pon squad performed with the band at Disney World. To make money for the trip, they sold T-shirts, grapefruit and oranges, Dairy Queen coupons, and had bake sales.

'Charlie Brown' is first staged in over 15 years

It took over 15 years, much sweat and six weeks of rehearsal, but the Wauconda High School Theatre Dept. finally pulled together a successful musical.

YOU'RE A GOOD MAN CHARLIE BROWN presented a typical day in the lives of the characters created by Charles M. Schultz. Short sketches helped develop the personalities of the Peanut characters.

People working on the crew were as much a part of the production as the cast members, and a good group feeling made the production run smoothly.

Audience 'jury' acquits defendant Andre in Ayn Rand's 'Night of January 16'

In the fall production, WHS Drama Club presented NIGHT OF JANUARY 16th. The play, by Ayn Rand, was a courtroom drama set in New York.

The play focussed on the trial of a woman, Karen Andre, accused of murdering her former employer, Bjorn Faulkner. The plot was very involved, bringing out many characters who could have killed Faulkner.

Something unique about the production was that the jury for the trial was chosen from the audience. Each night twelve people were selected to serve as jurors. No one knew what the outcome would be--not even the cast members!

In this production, the stage was not used; the courtroom was set up on the cafeteria floor.

Drama Club sees changes in program

Many changes in the WHS drama program have been made this year. Some include new ways of auditioning, casting, and running a show.

In early January, Drama Club took a 4-day trip to the University of Illinois at Champaign-Urbana. Members attended workshops and plays to help them increase their understanding of the theater.

Next year's stage crews will be responsible for seeing that all activities involving the stage run smoothly.

Constitution organized by Student Council

A constitution has finally been organized to help guide the Student Council.

The Student Council adviser this year was Mr. Jack Rayburn. Through his leadership, the Council was able to raise approximately $1,000 from the annual Homecoming activities. Wolfram Scherer, from Austria, came to WHS in the fall as a foreign exchange student. The Council sponsored several dances, including Turn-about, which presented "Blackwater Gold."

The Council supported the Muscular Dystrophy Association by collecting $376 through the "Shamrocks Against Dystrophy" campaign. This figure surpassed last year's totals by about $135.

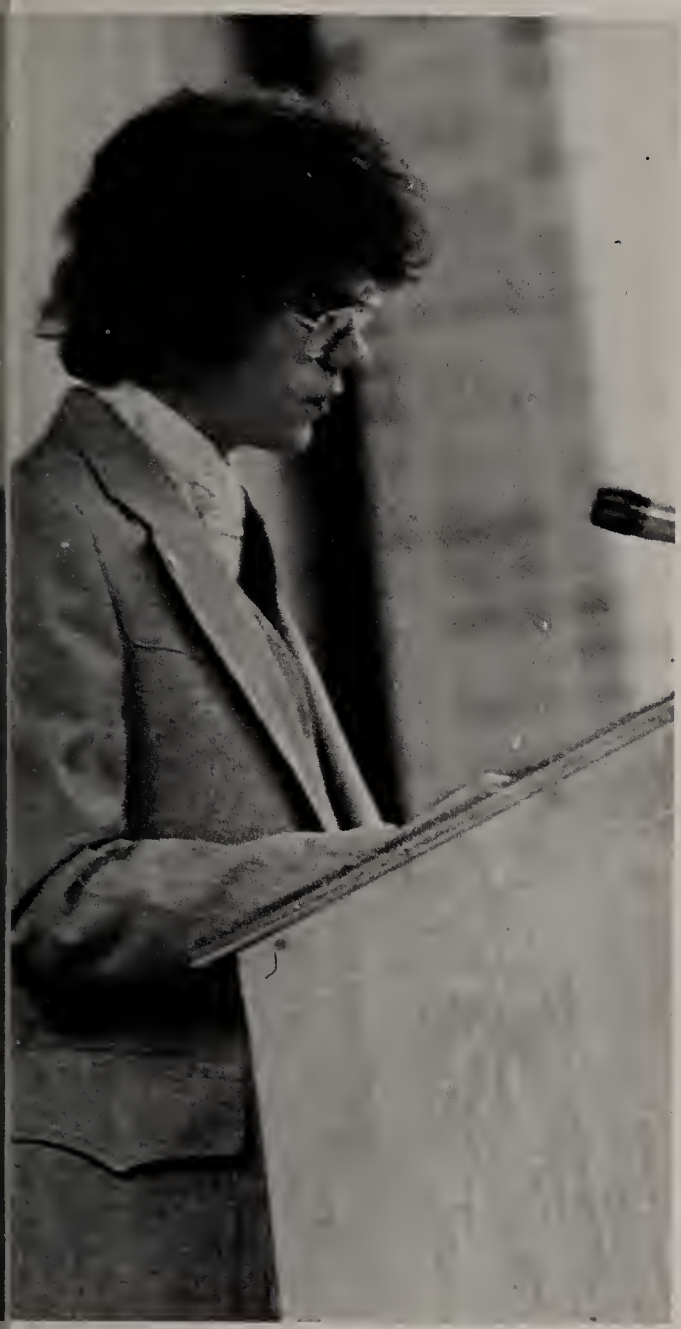
NHS's active year includes induction of 29



Twenty-nine juniors and seniors were inducted into the National Honor Society this year.

To be eligible, the students had to have a 4.0 grade average and to be chosen by the faculty on the basis of leadership, character, and service.

An induction ceremony on Mar. 18 featured a preview of YOU'RE A GOOD MAN, CHARLIE BROWN.

Other NHS activities this year included taking a trip to see JESUS CHRIST SUPERSTAR and sponsoring the poetry contest.

Next year, members hope to expand NHS's role as a service organization in the school.

Mrs. Patricia Gessert is the organization's sponsor.

'Bugle' staffers put out larger issues more often

Issues of the BULLDOG BUGLE appeared more often this year, once every two weeks instead of once a month, and expanded six times from four to six pages.

Several new columns, including a sport scoreboard, news briefs and a column answering questions about school issues appeared in the pages of the BUGLE.

For six returning and eight new staffers, finding information, setting up pages and meeting deadlines became routine.

Young yearbook staff emphasizes equality

A young staff, consisting mostly of sophomores, worked diligently with the help of Co-editors Dean Ogren and Pete Clark to complete this yearbook.

More equality in sports coverage was attempted by increasing the girls' section to include a separate page for each sport and a girls' scoreboard.

For the first time in several years, staff photographers were able to use the darkroom, increasing the amount of student photography used instead of professional work. By the end of the year, the darkroom staff had mastered developing and printing.

A colored cover and end pages and an increase in the number of pages were other changes made this year.

Food ideas exchanged by homemakers

Much time and effort went into raising money for the Mother-Daughter Banquet held by FHA.

Baked goods, printed sweatshirts and candles were sold during the year.

On May 17, all members and their mothers were invited to the banquet. Guests enjoyed the food and FHS members installed the officers for next year.

FHA held its Spring Rally on March 9 at Harper College. The rally's purpose was to have different schools exchange ideas on food.

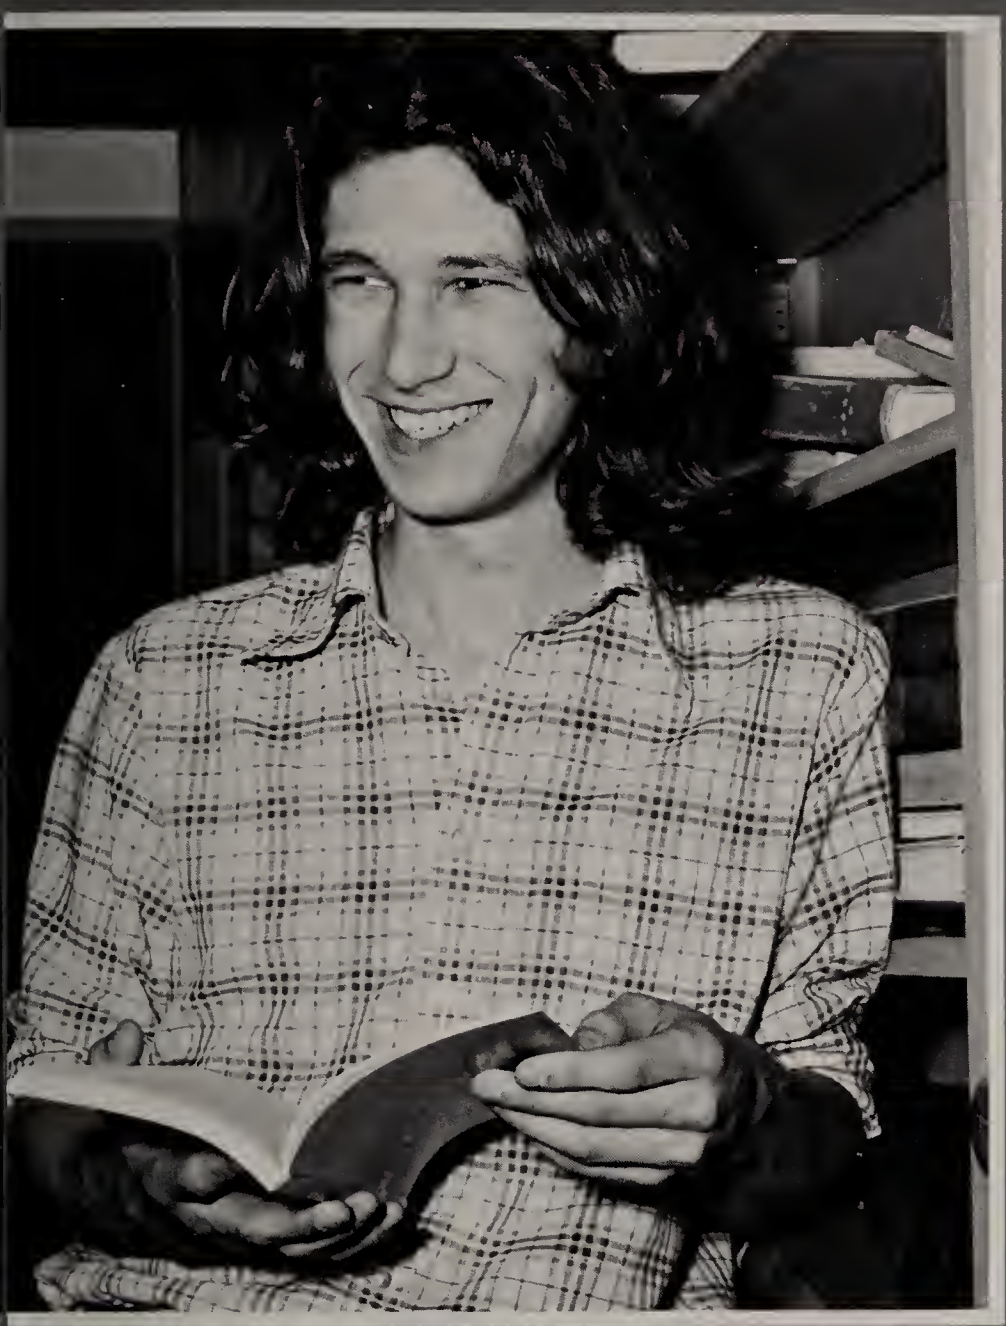
AFS sponsors WHS's first exchange student



The American Field Service (AFS) sponsored WHS's first foreign exchange student this year, Wolfram Scherer from Austria.

Wolfram spent Aug. 4 through July 5 living with the Robert Ogren family. During this time, he visited the University of Illinois and the south side of Chicago, and spent the majority of his time studying at WHS.

After starting the year as a Student Council committee, AFS became its own club and was kept busy with fund-raising activities such as concerts, car-washes and pizza sales.

Lori Carlson, a junior, was screened by the AFS committee and met qualifications to be sent to another country during the summer, becoming the first WHS students in this program.

Lori's trip to Bangkok, Thailand, in June and July gave her insight into the Buddhist monarchy.

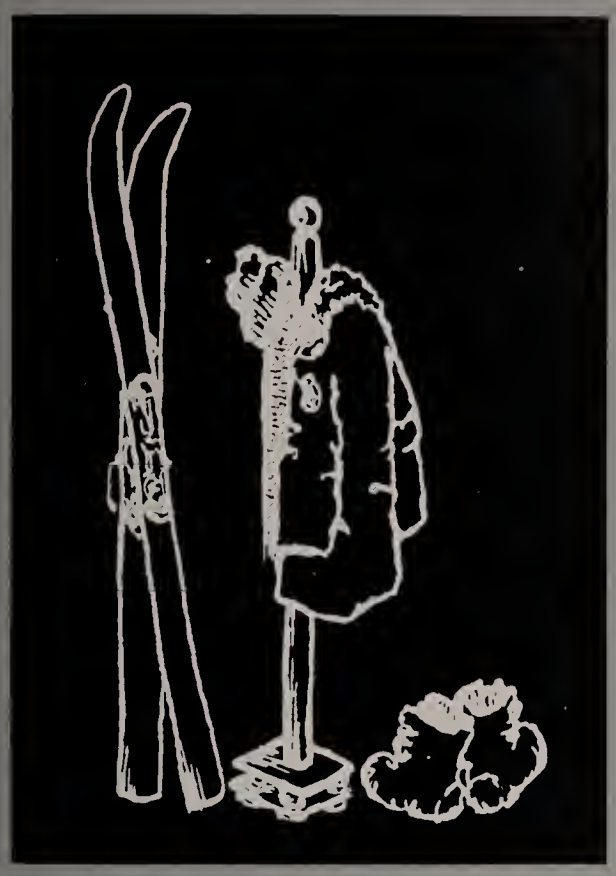
Warm weather melts Ski Club plans for trips



As winter approached and snow covered the slopes of Wilmot, skiing aficionados joined together to form the largest Ski Club WHS has seen in a long time.

Unfortunately, fans of the sport weren't given much opportunity to ski, because of a lack of snow, and could only go to Wilmot five times.

Band performs in Disney World Florida parade.

A summer trip to Disney World in Buena Vista, Florida, climaxed the year for WHS band members.

After the football season, most of the year's activities were centered around raising money for the trip.

Band members went door to door selling Texas oranges, grapefruits and Dairy Queen discount coupon booklets. Raffle tickets and bingo bonuses were also sold.

The Stage Band performed in school assembly concerts for the local elementary and junior high school students. In addition to these types of concerts, the bands also presented the annual Spring Concert at the high school.

Choral year highlighted by songs from history

Singing at Lakehurst, Christmas concerts, and Spring Follies were main events for the WHS Chorus this year.

Songs for the Spring Follies were taken from the time period of 1920 to 1950.

As a Bicentennial treat, the Swing Choir performed patriotic songs for the Lion's Club, wearing gowns of red, white and blue.

Under the direction of Miss Priscilla Mace, the chorus entered contests. Teresa Sapikas and Larry Cook received solo superior ratings.

A 7-girl ensemble, consisting of Terri Sodko, Mary Rebman, Donna Twinan, Cindy Heleniak, Denise Campbell, Jill Berlinghof and Debbie Heleniak, also received a superior.

Lee Tudor

Cristi and Lee chosen to reign over 1976 Prom

As their autos were being driven by official attendants down the ramp into the underground parking lot, guests of the 1976 Prom were escorting each other into the plush Hyatt Regency O'Hare hotel on May 8.

Students spent their "Time in a Bottle" eating dinner and dancing to the sounds of Kingzamp.

After nervously waiting for several hours, Prom Court members watched Debbie Bartley crown Cristi Kempf and Lee Tudor to reign as King and Queen of this elegant and enjoyable Prom.

Faculty-Cubs game sponsored by Varsity Club

This year Varsity Club has 45 members who are girls and boys who have received varsity awards.

These members sponsor various activities such as carnivals, raffles, and dances. This year they had a faculty-Cubs basketball game.

The money raised from this pays for trophies, sport shoes, football film, and other articles coaches might request.

COMPLETELY DIFFERENT ACTION — '76

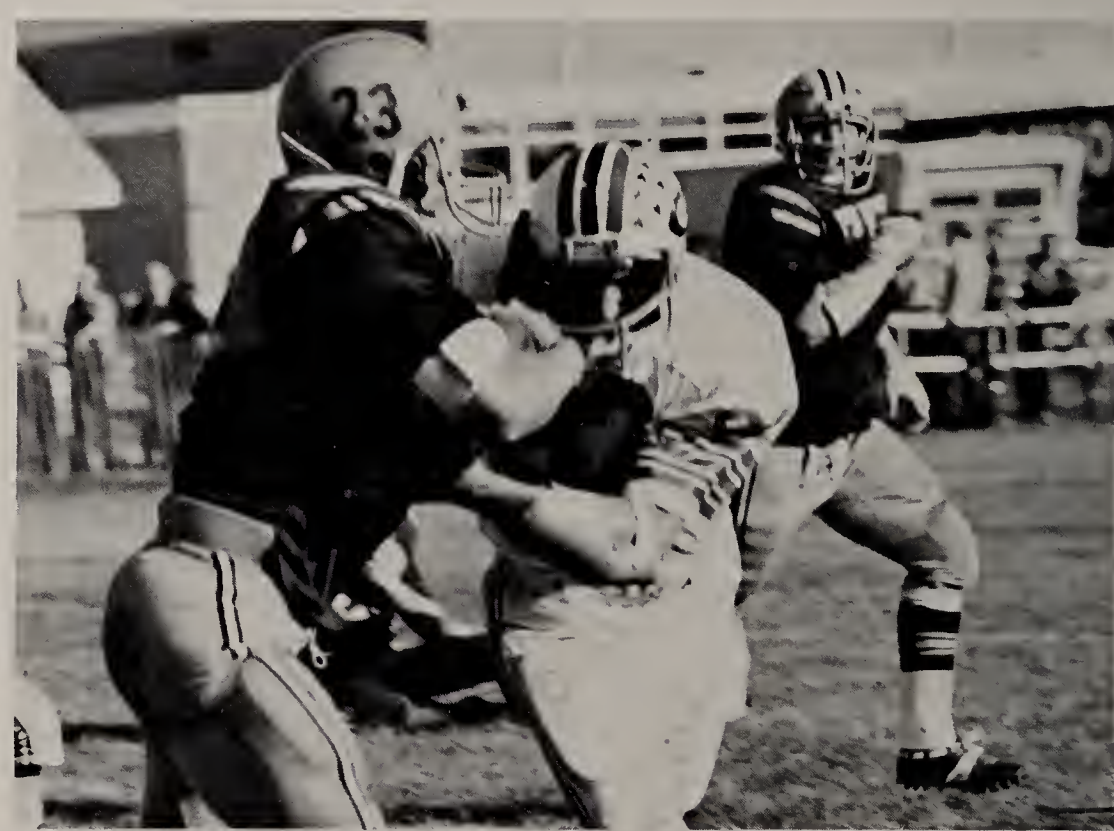
Varsity gridders end 1975 season positively

Wauconda's Varsity football ended their season optimistically, although they had a record of 3-6 and tied for seventh place with Lake Zurich in conference.

The team's most exciting game this year was against Grant, who had the best defensive team in the conference.

Even though the game ended with a score of 12-20 in Grant's favor, the Wauconda Bulldogs were the only team to score against them, with Butch Melton scoring two touchdowns.

The J.V. football team ended a very good season with a 6-1 record. This team is made up of varsity football players who either don't play in regular games or don't play very much.



Coach Fred Loffredo summed up the season by saying, "Even though you lose a game, that doesn't mean you're a loser. In football you strive to do your best, but not always to win."

Soph gridders improve points over '74 season

The sophomores won their Homecoming game against the Grayslake Rams by a margin of 36 to 0.

The sophomore football team, coached by Mr. Tom Gallivan and Mr. George Haley, ended their season with a 4 and 5 record. They scored 150 total points from their overall season. The toughest game was against Woodstock.

The most yardage made during the season was run by Danny Christensen.

The improvement shown by the Bulldogs was from practicing two hours after school and during the end of the summer.

Frosh gridders plan to work hard next season

The freshman football team ended their season with a 2-7 mark, their two victories being against Grayslake, 22-6, and Cary Grove, 12-6.

Out of all their games, the toughest was against Woodstock.

The team put in many hours practicing at the end of the summer and after school for two hours every night during the season. The team was coached by Mr. Rick Kannenberg and Mr. Steve Freund.

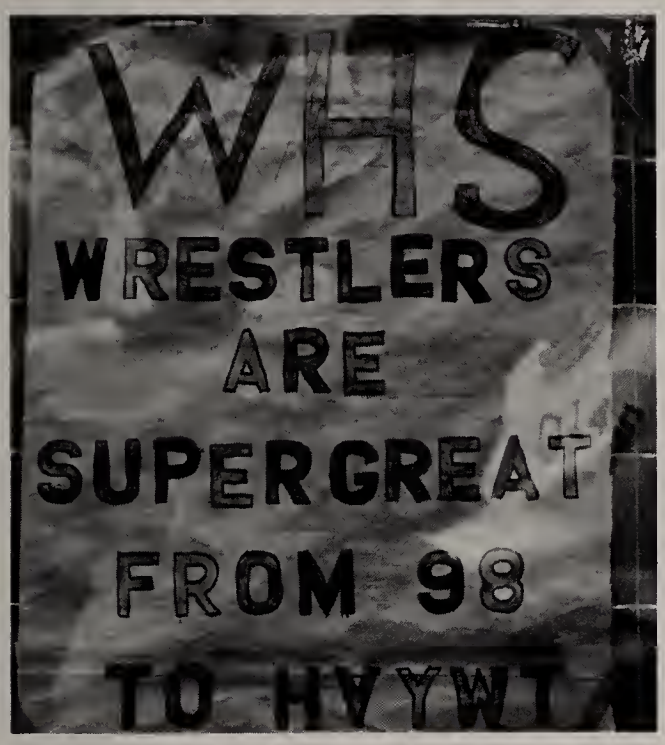
Varsity wrestlers post winning 10-8 season

This season the varsity matmen had a 10-8 overall winning record and sent two wrestlers to the sectional tournament. The team placed fourth in conference competition and seventh in the district tournament.



The most outstanding wrestlers this year were 98-lb. Dave Wachter with a record of 23-5; 119-lb. Tom Brown with a record of 20-10; and 185-lb. Dave Sprik with a record of 20-9. Wachter took a second place in conference, a first place in districts, and had the most takedowns of the season. Brown placed fourth in both conference and districts. Sprik placed second in conference and fourth in districts. Joe Rebman also placed second in districts.

The J.V. team had a 5-11 season with Tom Nolan (10-0), Dave Swanson (6-1), Dennis Taylor (4-0), and Walter Swanson (7-2) the most outstanding wrestlers.

The frosh squad had a 14-2 season. Jim Hoy (22-2) and Phil Lindsey (20-3) were the most outstanding wrestlers.

Varsity cagers end season with 10-16 record

With a 10-16 over-all season record, the Wauconda Bulldogs took sixth in the Northwest Suburban Conference.

The team's most valuable player was Brian Sarff, who made over 200 rebounds this year.

During the 1975-76 season, Dave Hedgepath improved his free throws to 79 percent.

The varsity Bulldogs played in the regional tournament, where they defeated Lake Zurich, 55-54, before being eliminated by a 59-39 loss to Crystal Lake.

Sophomores fifth in league in basketball

The sophomore basketball team ended their season with a 7-14 record and placed fifth in conference.

The leading rebounder was Shawn Eckmann. Brad Anthony scored the most points and Dave Jensen, the team's captain, had the most free throws.

The freshman basketball team was co-captained by Ted Wagner and Jeff Samuels.

The freshmen had an 8-11 season record. Overall, the team scored 845 against opposing teams.

Varsity basemen advance to district finals

Despite many injuries that could have crippled team spirit, the Bulldog basemen battled their way into the final round of districts.

Taking advantage of the fine pitching of Dave Hedgepath and Frank Sullivan and third base coverage by Dean Anderson, the Bulldogs beat their first round opponent, Lake Zurich, 5-3, and Mundelein, 7-0, before being shut out by Libertyville.

Ray Lanners breaks two cross-country records

Cross-country is a sport that has little glory but great individual satisfaction for a runner.

Third in the conference, tenth in the district, and 2 broken records: that was the story of the varsity cross-country team.

Ray Lanners led the harriers as the varsity's most valuable runner. He was defeated only once in conference dual competition and he set records at Cary Grove and Warren High Schools.

The varsity cross-country team finished with a 6-3 conference record.

ABOVE RIGHT... CROSS-COUNTRY TEAM... BOTTOM ROW: Steve Witt, Mike Lyster, Mike Reilly, David Jensen, Randy Runion, Mike Wundsam. Duffers improve to a surprise 7-6 season record

Varsity golfers swung to a winning season and, according to Coach Tom Nance, did 'better than expected' this year.

The JV duffers had an off season and ended with a 2-11 record. Individual averages, however, were held down and many of the JVers made impressive showings.

The varsity season's 7-6 outcome was unexpected but well deserved by the players most of who shot well all 13 rounds. Ken Kannenberg's average of 42.0 made him the team's most valuable player. The most improved player was Kevin Boissonault who ended up with an average of 47.7 and a standing on the varsity team.

Records set by runners highlight season

Ray Lanners and the two-mile relay men were the star performers on this year's varsity track team.

Ray himself broke school records for the one-mile and two-mile runs. The varsity relay team also broke the school record.

Other individual winners included Tom Brown and Dan Hallman. Tom was first in the county in the 220-yard race and third in the county in the 440-yard race. In conference standings, Dan attained third place in the shot put.

Overall the varsity team finished third in conference competition with a 6-3 record.

Well balanced tennis team shows improvement

Nearing completion of its second season, the boys' tennis team showed significant improvement over last year.

Coach Dan Thorton stressed the importance of developing a good attitude toward tennis.

Varsity singles player Kurt Bennett expressed his feelings on the season as such, "We learned to compete in conference matches without getting up-tight."

Other members felt that there is much potential on the frosh-soph. level.

Coaches and team members agreed that the team's spirit was evident during the singing lessons on the bus.

Racket girls fare well for first season of action

The WHS girls' tennis team completed its first season with a record of 5-4.

On October 17 and 18, the team participated in the district meets. Playing varsity singles for WHS were Renee Grantham and Cindy Amrich.

Representing WHS in doubles competition were Mari Weiss and Mary Whitman, who were defeated by Marion Central, and Bobbie Garapolo and Sharon Marzano who won their first match against Antioch, but were defeated by Barrington.

As Coach Thornton stresses, "Instead of playing to win, we play to better our game." He felt that the season was enjoyable for all.

The team will return intact next year, with the exceptions of seniors Bobbie Garapolo and Gail Scheutzow.

Lack of aggressiveness hurts field hockey team

The WHS girls' field hockey team wrapped up a spirited, but winless season with a record of 0-10.

Miss Marsha Beyer, the coach, was pleased with the girls' enthusiastic attitude.

Since this was the first year field hockey has been played at WHS, there was a problem of not many girls trying out for the team.

"There were a few experienced players, but a few players can't win a game," said Miss Beyer.

One of the team's major weaknesses was the players' lack of aggressiveness.

"It was a pleasure working with the girls," said Miss Beyer. She feels field hockey is becoming more popular at WHS and around the conference. She is hoping more girls will try out for the team.

Girls' cager A and B teams sweep tourneys

"Super!" was the way that Coach Jackie Jabcon described her conference championship girls' basketball A-team. The team, which was undefeated for the season, placed first in conference standings. The team was 9-0 in conference and 13-0 overall.

An aggressive coach and team and quick defense made the girls' cagers season a successful one. The high scorer was Renee Grantham, who racked up more than 200 points for the season.

"The B-team taking a share of the conference title was a real surprise," said Mrs. Jabcon. "The team started out slow by losing their first two games, but got their heads together and posted an 8-2 season record." Senior Laurel Leland coached the B-team.

The girls attended a summer basketball camp in preparation for next year.

Volleyball team more together

According to Coach Margee Pieper, the girls' volleyball team was much more together this year than last year.

The girls ended the year with a 7-3 record and one tie.

The team started strongly, but hit a slump in the middle of the season. They recovered, however, to pull through by the end of the season with a good record.

The girls chosen most outstanding were Gretchen Lincoln and Laurel Leland, the graduating seniors.

Bowlers' first season ends with high scores

Girls are moving ahead in sports at WHS with many new additions, including the school's first bowling team.

Bowling is relatively new in the conference, and WHS bowlers, not to be outdone by the good showings of other teams, completed their first season with a 22-14 conference record.

Leading the thirteen girls on the team were Wendy Cox with the highest average, 154, and Donna Pryde with the highest series, 472.

Debbie Francisco and Wanda Jackson shared high game honors with scores of 178 each.

Gymnasts break 4 school records during year

The girls' gymnastics team finished their second season with a 3-5 record and 2-3 in conference competition, but four school records were broken.

Robin Wenborg set a record in the vaulting, Bonnie Kruckenberg on the unevens, and Kathy Gurevitz on the beam and in floor exercise.

Wauconda had their first conference champion in Kathy, who is a senior and who defeated every girl in conference competition.

A consistently strong event for the team during the season was floor exercise.

With the graduation of four of the team's top gymnasts, next season's success will depend on the development of freshmen on this year's squad.

Constant improvement marks softball team

Constant improvement was what marked this year's softball team.

The most improved player of the season was freshman Debbie Garrett.

A-team members who were outstanding included Jenny Carolin, Wendy Cox, Lucy Reyes, Mari Weiss, Mary Whitman, and Audrey Howard.

Despite a losing season, Coach Barb Burchill said she received much co-operation, not only from players but also from parents. Mrs. Cox provided extra help and support. The team looks forward to a good season next year.

Runners carry girls to 6-3 conference standing

Good times in running events were a strength of the girls' track team, helping them to finish their season with a 6-3 record.

Leading the cindergirls was Pat Brown, who finished fourth in districts in the 440.

Other outstanding runners were Laurel Leland in the mile run and Nadine Creedon in the 100-year dash.

Also contributing to the good season were the 400-relay team, consisting of Robin Grantham, Pat Brown, Lisa Gregory, and Nadine Creedon, and the mile relay team.

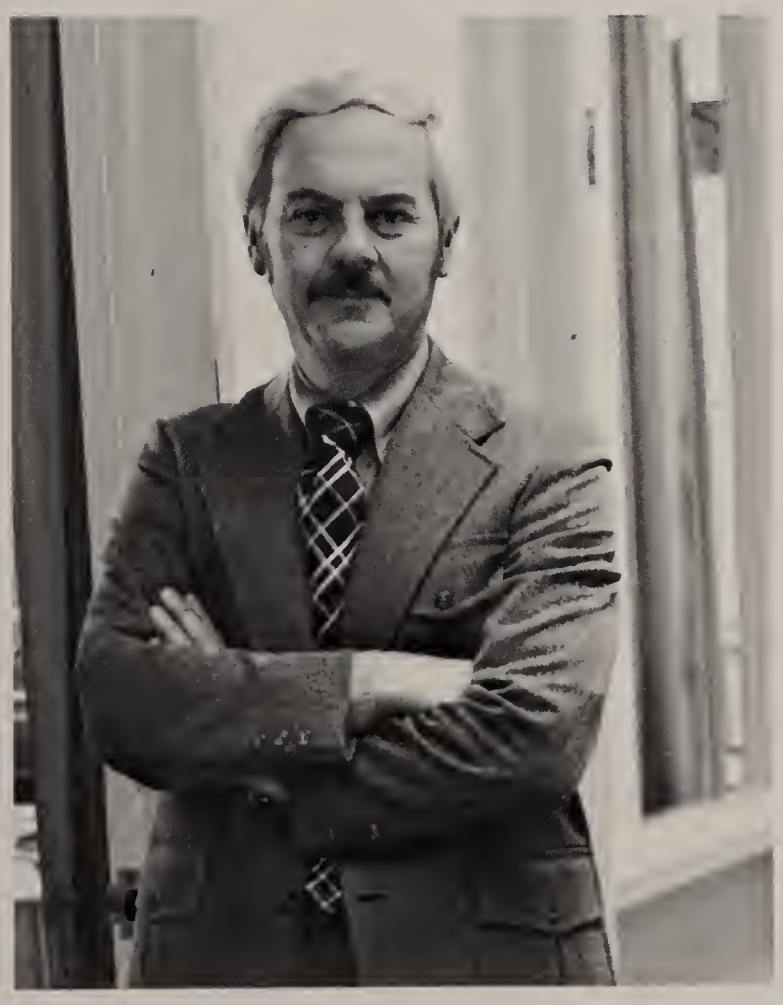
Administration concentrates on new addition

During the 1975-76 school year, the school board and administration's main activity was the new addition. Construction is now completed after being worked on all year.

A new face was added to the administration. Mr. Len Kocinski replaced Dr. Martin Zuckerman as Assistant Superintendent. Dr. Zuckerman became Superintendent.

There were also twelve new teachers to work with 1084 students for this school year.

LEFT . . . DR. MARTIN ZUCKERMAN, Superintendent.
BOTTOM LEFT . . . MR. LEN KOCINSKI, Assistant Superintendent.
BOTTOM RIGHT . . . MR. NORMAN WEST, Principal.



Two new faces stimulate ideas and interests

Two new faces have brought many new and interesting ideas to Wauconda High School.

Mr. Jerry Rankin, orignally from Rock Island, stepped in to replace Mrs. Norma Humes as one of the Guidance Counselors.

Mr. Jack Rayburn, who was a social studies teacher at Grant High School, filled the position of Assistant Principal and Dean of Students.

The Guidance Department concentrates on such areas as schedules, college information and student's personal problems.

Through the help and guidance of the Dean of Students, education in the classrooms continues on a fairly even path.

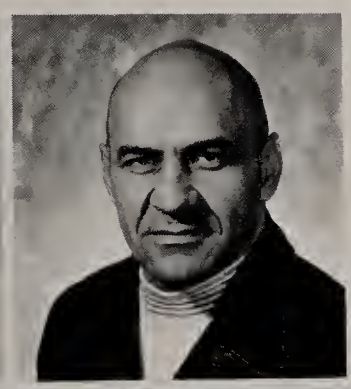
The secretaries' daily school routine duties include providing information, bookkeeping and attendance.

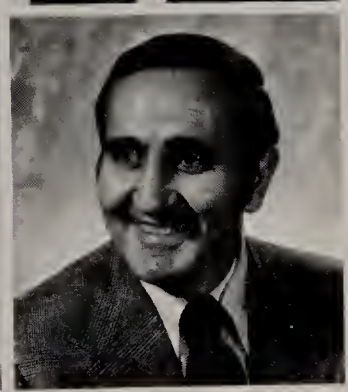
ABOVE RIGHT . . . Mr. Jerry Rankin, guidance counselor, takes a minute out from his tedious daily schedule to muse a passing thought.

RIGHT . . . Mr. Jack Rayburn, Dean of Students, poses for our photographer between several of his rigorous daily activities.

MR. JERRY RANKIN--B. S., M. S.; Guidance Counselor of students, last names Q-Z; Freshman Wrestling Coach.

MR. JACK RAYBURN--B. S., M. S.; Assistant Principal; Dean of Students; Student Council Adviser; Pom-pon Co-ordinator.





MRS. CAROL ZAMISKI--Secretary

MR. FRED LOFFREDO--B.A., Guidance and Supervision Certificate; Counselor of students, last names A-H; Head Football Coach.

ABOVE LEFT... MISS JOAN NORDHOLZ--B.A., M.A.; Counselor of students, last names I-P; Assistant Summer School Coordinator; Coordinator of Special Education Programs.

ABOVE RIGHT... MRS. OLGA BITTNER--Secretary.

MRS. SHARON HUBBARD--Receptionist.

MR. SAM RENNO--M.S. in administration; Athletic Director for boys and girls.

MRS. JOAN ANDERSON--Secretary.

Films, books, and field trips teach students about cultures

MISS DIANE DANNENFELDT--A.B., A.M. in English education; Newspaper, Yearbook, Non-Fiction, Composition Skills.
MRS. PATRICIA GESSERT--B.A. in English; English Department Head, Humor and Satire, Science Fiction, Contemporary Literature, Pre-Shakespeare, British Literature; National Honor Society.
MISS SHARON HARDING--B.A. in English; Bible as Literature, Humor and Satire, Creative Writing, Sophomore English.
MR. M. R. HESTER--B.A. in psychology, M.S. in education; Advanced Reading, Basic Reading; Developmental Reading; Freshman Basketball Coach.
MRS. CYNTHIA CAPLAN--B.S. in education, M.A. in English; Advanced Reading, Sophomore English, Creative Writing.
MR. L. J. MEFFORD--B.S. in education; English I and II; Senior Class Sponsor.
MR. LLOYD SCOTT--B.A.; English II, Science Fiction, Mythology.
MR. TOM DAWSON--B.A.; Film Study, Theatre, Oral Communications, Sophomore English; Drama Club Sponsor.
MRS. RUTH YAFFE--B.A.; English Resource Aide.

MRS. DONNA HURST--B.A.; French I, II, III, and IV; Spanish; Foreign Language Club.
MS. MELANEY BARKER--B.S. in English, M.A.; Spanish I, II, III and IV, Psychology; Language Club Sponsor, Independent Study in Community Relations Adviser.

The English and Foreign Language Departments try to help students understand cultures through the use of films, books, field trips and lectures.

Six new teachers brought plans and ideas to the English department.

A paperback pay-off contest netted 500 books for the resource center, and the weekly create-a-caption gave students a chance to express themselves.

A Christmas party and an exchange of foreign cuisine highlighted the year for language students.

Fine Arts molds students' art and music talents

The Fine Arts Department offered several semester courses in addition to the art introduction. Students could choose to express themselves in such areas as ceramics, sculpture, jewelry, and printmaking.

Music classes gave students the chance to polish vocal and instrumental skills necessary for concerts and contests.

For band, 1976 was the year to rehearse and raise money for a summer trip to Florida.

Office simulation highlights the business year

Business classes this year went on many field trips. The Data Processing class went to Northern Illinois University and College of Lake County to see their computer facilities. The Business Law class went to Waukegan to see court in session and also visit the jail.

An office simulation called "Lester Hill" was done by Office Practice class. They set up a room like a real office with different departments and work to be done. The girls were transferred within the company so that they did many jobs. A speaker came in and talked to the Business Law class about juvenile law.

This year the Business Department received new typewriters, transcribing equipment, and calculators to help business students.

MRS. LORETTA MCKAY--B.S. in business; Department Chairman; Shorthand I and II, Typing II.
MRS. BARBARA BURCHILL--B.A. in administration; Accounting, Recordkeeping.

MR. DAVID BURK--B.S. in education; Typing I, Consumer Problems.
MISS LANA HENK--B.S. in Education; Typing I and II Office Practice, Data Processing, Office Machines; Sophomore Class Adviser, Bowling Coach.

MR. CHARLES O'CONNELL--B.A. in economics; General Business, Business Law, Business Management; Sophomore Baseball Coach, Freshman Basketball Coach.

Anthro. class simulates dig

This year in the Social Studies Department, the anthropology class set up an anthropological dig.

Students excavated an area on the school grounds to see what type of artifacts they could find and tagged them.

New teachers were Mr. Olson and Mr. Sloane.

MR. LEN SIATTA--B.A. in history; Social Studies Department Chairman, American History; Varsity Football Coach, Wrestling Coach.
MR. TERRY STEVIG--B.A. in education; Sociology, Psychology, Freshman Social Studies; Peer Counseling, Tennis Coach.

MR. PETER SLOANE--B.A. and M.A. in history; World History, Freshman Social Studies.
MR. FRED MUELLER--B.S. in history; U.S. History, American Government, Problems of Democracy.

MR. DANIEL OLSON--B.A. in history; World History, Freshman Social Studies, U.S. History; Freshman Baseball Coach, Junior Wrestling Coach.
MRS. REBECCA FINCH--B.A. in anthropology; Social Studies, U.S. History; Freshman Class Sponsor.

UPPER LEFT...Mr. Len Siatta waits patiently for his U.S. History class to get quiet. MIDDLE LEFT...Sophomores Dennis Miller and Gigi Munson think hard while studying in World History class. LOWER LEFT...Junior Bill Reynolds and senior Sandy Mionski seem very interested in Mr. Terry Stevig's Social Studies lecture.

Math stresses use of calculators, metrics

The increased use of calculators by WHS students has caused the mathematics department to teach the student how to operate computerized machines.

Math teachers also are using the metric system more with their classes to prepare students for the U.S.'s adopting the system.

Mr. Roy Sarff, former math chairman, is in partial retirement this year. Mr. Sarff, who still works at WHS, served more than two decades with the math department.

A new teacher assumed the position of math chairman, Mr. Joseph Fielding.

Possible additions for next year might include a computer science course and calculus.

MR. DAN THORNTON--B. S. in mathematics; Algebra I and II, Geometry; Girls' and Boys' Tennis Coach, Thespian Society Sponsor.
MR. LEE HAMPEL--B. S. in mathematics; Plane Geometry, Algebra I and II, Probability and Trigonometry; Freshman Class, Peer Counseling.
MR. JOSEPH K. FIELDING--B. S. in mathematics, M. S. in supervision and curriculum in mathematics; Algebra I and II, Plane Geometry; Peer Counseling.
MR. ROY A. SARFF--B. S. in science, M. S. in mathematics education; Senior Math, Geometry, Algebra, Trigonometry.

MR. FLOYD K. NELSON--M. S. in mathematics and physical education; Algebra, Geometry; Sophomore Football Coach.

MR. DEWAYNE REED--B. S. in mathematics; Basic Math, Algebra, Advanced Math.

Hamburger, wintergreen part of experiments

Spoiled hamburgers and the smell of wintergreen were part of experiments performed in the Science Department this year.

In Biology, students disproved spontaneous generation by letting a hamburger sit awhile.

Chemistry classes created wintergreen and banana odors as part of an organic chemistry unit.

Other classes offered by the department this year included physics and ecology.

The department plans to devote two periods a week next year to science students who need extra lab time.

This will save valuable science equipment.

MR. RICK KANNENBERG--B.S. in engineering; Earth Science; Freshman Football Coach, Assistant Varsity Baseball Coach.
MR. KARL J. PRICE--B.S. in education; Plane and Solid Geometry, Basic Geometry, Planet Earth, Intro. to Biology, Human Physiology, Basic Math; Junior Class Sponsor.

Practical arts emphasize co-ed learning

Male enrollment in Home Economics classes doubled this year, and more girls enrolled in shop classes.

Learning was made more interesting for some Home Ec. students by holding mock weddings, simulating marriage problems and going on field trips.

Metals classes this year worked on arc welding, forging, and machine lab. A mass production project was conducted, producing checkerboards and chess pieces.

MRS. MURRIEL RIEDESEL--B.S. in education, Department Chairman; Sewing, Child Development, Family Life.
MISS GAIL EGGERT--B.S. in home economics; Food Management I and II, Bachelor Living.
MRS. JOANNE FIELDING--B.S. in education; Family Life, Child Development, Bachelor Living, Work Program.

P.E. classes seek sports off campus

Physical Education classes moved off the school grounds this year to participate in sports like swimming and shooting for boys; ice skating, canoeing and bicycling for girls; and bowling for all.

In-school field trips gave classes a chance to hold intramural competition in several sports.

The number of students enrolled in Driver Education classes approximately doubled from last year's totals.

The health classes, which included freshmen and sophomores, did independent studies on such areas as alcohol and drugs.

MR. GEORGE HALEY--B.S., M.A.; Driver Education; Sophomore Football Coach.

MRS. JAQUELINE JABCON--B.S.; Girls' Physical Education; Basketball and Track Coach.
MR. LEE OLER--Boys' Physical Education; Sophomore Basketball Coach.
MRS. MARGEE PIEPER--B.A.; Girls' Physical Education; Volleyball and Track Coach.

Special Services help students when needed

Change was very visible in the library this year.

Windows were taken out and walls removed to expand the library to 2 1/2 times its original size, enough room to seat 200 people.

In April, all the books were moved into the new, carpeted section so that workmen could remodel the older library area.

New to the library are a library classroom, big enough to accommodate entire classes, and a leisure reading area where students can relax in 12 padded chairs.

ABOVE...When there is work to be done in the library, its books and staff can be a big help as three students, Chris Nibbio, Tom Bartley, and Norbert Buko, have found to be true. LEFT...Besides assisting students, Mr. Tony Rake always finds time to take care of library needs, such as fixing a film projector or ordering and processing books.

MR. TONY RAKE--B.S., M.S.; Librarian.
MRS. GWEN CAREY--Assistant Librarian.

MRS. RUTH CROOKS--B.E.; Cooperative Work Program Co-ordinator.
MRS. LAVERNE POTTER--R.N.; School Nurse.

Graduation:

balloons provide a spirited finale for '76 alums

It seems hard to believe but after four years of studying and testing, graduation takes only an hour.

On June 4, 234 seniors made their final walk across the gym floor to receive their diplomas.

The graduates added a Bicentennial salute to the ceremony by letting red, white and blue balloons float to the ceiling.

Now ready to face the world, WHS's newest alumni left the gym that an hour before they had entered as students.

Valedictorian Mark Jachec

Salutatorian Debbie Wisniewski

One-hundred-eighty classroom days and numerous extra hours were spent piecing together this record of the 1975-76 school year.

A diligent few formed the core of students (and adviser) who masterminded the production of this completely different portrayal of our high school.

Our thanks to all of those who made this publication completely possible...
